Student ID cards (FREE) are required to be carried by every student as a means of identification when on campus, to participate in school activities, pick up school items, and when checking out materials in the Library. ID cards will not be provided on the scheduled picture day but rather distributed once students return to campus. The first ID card is free but replacement of a lost card is \$5.

We have been given permission by the District to complete our student school pictures as long as we implement the CNUSD Student Photo Safety Measures. As such, we will be implementing a no contact drive thru service outlined below.

We need your help in ensuring all students and staff are safe by following the required guidelines below:

- **Student drop-off will take place in our front drive**
- **Students will enter campus through the Gym (Visible as you pull into the parking lot)**
- **Students will have their temperature taken and will be asked screening questions (*have you had a new fever, new cough, etc.*)**
- **Parent will pick up their student as they exit the school's main gate**
- **Students must maintain 6ft of social distancing at all and wear a mask while on campus**
- **It is IMPORTANT that you arrive at your designated time**

YEARBOOKS

We will have a school yearbook this year. Our yearbook is a *FULL COLOR* book of approximately 75 pages and costs \$50. Yearbooks will be sold online throughout the school year.

Yearbooks can be purchased online using a credit card by logging on to www.YearbookOrderCenter.com and entering order number **8147**

Thank you for your patience during this process as we attempt to take over 1,000 student pictures over the course of these three days. Please read all of the information contained in this email so you come prepared on picture day and we can efficiently complete this process safely. Please email at sbrenneman@cnsd.k12.ca.us if you have any questions or concerns regarding this process.
